Re: Notice of Change in Water Right Ownership Filed for 65-10723 and 65-10724

Dear Mr. Fischer:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership filed for the rights referenced above. Our review of your notice indicates that additional information is required before we can process the change.

The documentation enclosed with your notice includes three quitclaim deeds conveying property from Stephen Vincent Fischer III to Stephen Vincent Fischer III. The quitclaim deeds do not provide sufficient evidence of your ownership of the three parcels (parcel 1 – tax 32, parcel 2 – tax 33, and parcel 3 – tax 34). We will need evidence showing chain of title from the prior owner of record, Payette River Ranch, to Stephen Vincent Fischer III.

The three parcels described above partially overlap water right 65-10723 (see enclosed map). A \$100 filing fee is required to split the water right and to update the record. The remaining parcels described by your deeds are not covered by water rights 65-10723 or 65-10724.

If you can provide the evidence necessary to support your ownership of the water right, and the necessary fee, the Department will update the record to show you as current owner.

If you have questions regarding this matter, please feel free to contact me at 208-287-4948.

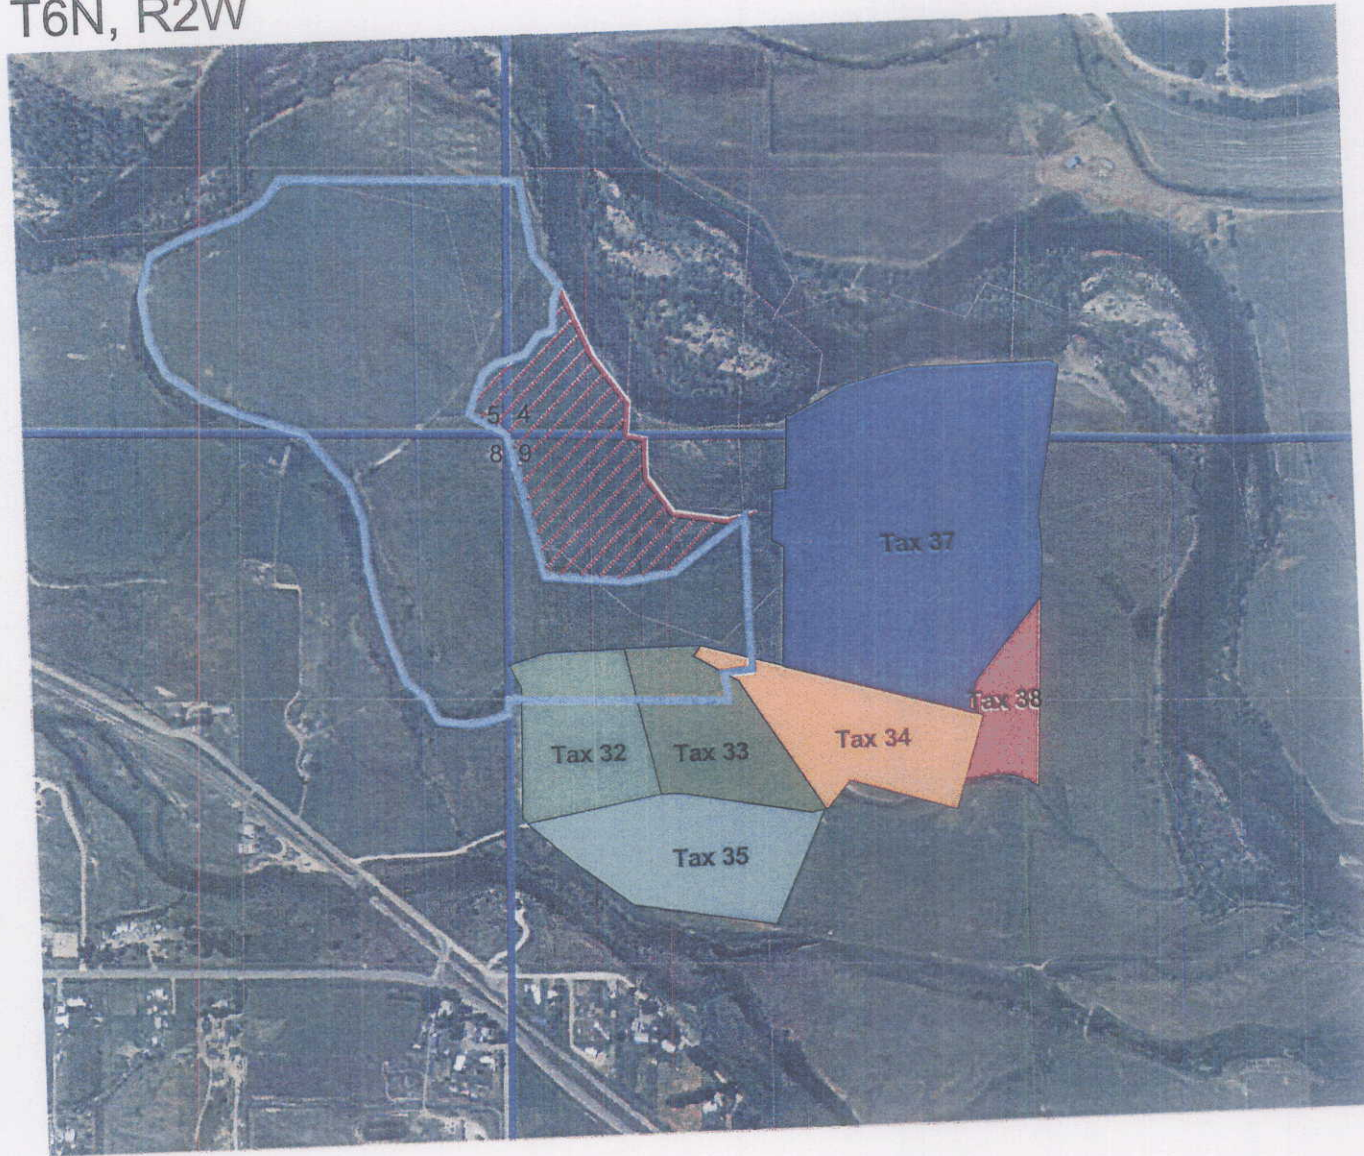

Sincerely,

For Jeff Peppersack, Manager
Water Right Permits Section
