RE: Permit No. 95-9351

Permit Approval Notice

Dear Permit Holder:

The Department of Water Resources has issued the enclosed permit authorizing you to establish a new water right. Please be sure to thoroughly review the conditions of approval and remarks listed on your permit.

The permit is a PRELIMINARY ORDER issued by the Department pursuant to Section 67-5243, Idaho Code. It can and will become a final order without further action by the Department unless a party petitions for reconsideration or files an exception and/or brief within fourteen (14) days of the service date as described in the enclosed information sheet.

As a permit owner you must commence the excavation or construction of the diverting works within one year of the date the permit was issued, and you must proceed diligently until the project is completed. The date shown under condition no. 1 is the date when the project must be completed.

The Department will send you a 'Proof Due Notice' approximately 60 days prior to the above referenced date requesting you to file either a Proof of Beneficial Use form or a Request for Extension of Time form.

The right to drill a well is not a part of this permit to appropriate water. Beginning in July of 1987, a statute was enacted which requires a drilling permit for new well construction and deepening of existing wells. If the well(s) proposed for use under this water right permit were drilled or deepened after July 1, 1987, a separate drilling permit must be obtained from this Department. Please contact the Ground Water Protection Section located here at this office or our regional office nearest you.

Also, please note that water right owners are required to report any change of water right ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Contact any office of the Department or visit the Department's homepage on the Internet to obtain the proper forms and instructions.

If you have any questions, please contact me at 208-287-4947.

Sincerely,

A handwritten signature in black ink that reads "Shelley W. Keen". The signature is written in a cursive style with a large, stylized 'S' and 'K'.

**EXPLANATORY INFORMATION
TO ACCOMPANY A
PRELIMINARY ORDER**

(To be used in connection with actions when a hearing was not held)

(Required by Rule of Procedure 730.02)

The accompanying order or approved document is a "**Preliminary Order**" issued by the department pursuant to section 67-5243, Idaho Code. It can and will become a final order without further action of the Department of Water Resources ("department") unless a party petitions for reconsideration, files an exception and brief, or requests a hearing as further described below.

PETITION FOR RECONSIDERATION

Any party may file a petition for reconsideration of a preliminary order with the department within fourteen (14) days of the service date of this order. The department will act on a petition for reconsideration within twenty-one (21) days of its receipt, or the petition will be considered denied by operation of law. See Section 67-5243(3) Idaho Code.

EXCEPTIONS AND BRIEFS

Within fourteen (14) days after (a) the service date of a preliminary order, (b) the service date of a denial of a petition for reconsideration from this preliminary order, or (c) the failure within twenty-one (21) days to grant or deny a petition for reconsideration from this preliminary order, any party may in writing support or take exceptions to any part of a preliminary order and may file briefs in support of the party's position on any issue in the proceeding with the Director. Otherwise, this preliminary order will become a final order of the agency.

REQUEST FOR HEARING

Unless a right to a hearing before the Department or the Water Resource Board is otherwise provided by statute, any person aggrieved by any final decision, determination, order or action of the Director of the Department and who has not previously been afforded an opportunity for a hearing on the matter may request a hearing pursuant to section 42-1701A(3), Idaho Code. A written petition contesting the action of the Director and requesting a hearing shall be filed within fifteen (15) days after receipt of the denial or conditional approval.

ORAL ARGUMENT

If the Director grants a petition to review the preliminary order, the Director shall allow all parties an opportunity to file briefs in support of or taking exceptions to the preliminary order and may schedule oral argument in the matter before issuing a final order. If oral arguments are to be heard, the Director will within a reasonable time period notify each party of the place, date and hour for the argument of the case. Unless the Director orders otherwise, all oral arguments will be heard in Boise, Idaho.

CERTIFICATE OF SERVICE

All exceptions, briefs, requests for oral argument and any other matters filed with the Director in connection with the preliminary order shall be served on all other parties to the proceedings in accordance with IDAPA Rules 37.01.01302 and 37.01.01303 (Rules of Procedure 302 and 303).

FINAL ORDER

The Director will issue a final order within fifty-six (56) days of receipt of the written briefs, oral argument or response to briefs, whichever is later, unless waived by the parties or for good cause shown. The Director may remand the matter for further evidentiary hearings if further factual development of the record is necessary before issuing a final order. The department will serve a copy of the final order on all parties of record.

Section 67-5246(5), Idaho Code, provides as follows:

Unless a different date is stated in a final order, the order is effective fourteen (14) days after its issuance if a party has not filed a petition for reconsideration. If a party has filed a petition for reconsideration with the agency head, the final order becomes effective when:

- (a) the petition for reconsideration is disposed of, or
- (b) the petition is deemed denied because the agency head did not dispose of the petition within twenty-one (21) days.

APPEAL OF FINAL ORDER TO DISTRICT COURT

Pursuant to sections 67-5270 and 67-5272, Idaho Code, if this preliminary order becomes final, any party aggrieved by the final order or orders previously issued in this case may appeal the final order and all previously issued orders in this case to district court by filing a petition in the district court of the county in which:

- i. A hearing was held,
- ii. The final agency action was taken,
- iii. The party seeking review of the order resides, or
- iv. The real property or personal property that was the subject of the agency action is located.

The appeal must be filed within twenty-eight (28) days of this preliminary order becoming final. See section 67-5273, Idaho Code. The filing of an appeal to district court does not itself stay the effectiveness or enforcement of the order under appeal.

Good day to you all – I am trying to cover all bases to make sure this get published on the dates requested.

Enclosed you will find a legal notice which we wish to have published in your newspaper on the dates indicated, July 20 and 27, 2006, (once a week for two consecutive weekly issues). If you cannot publish the notice on the proposed dates, please contact us immediately.

The first 5 water right applications on this legal were the ones that were supposed to publish 7/6 and 7/13, but somehow didn't get into the paper. The sixth is yet another new one that we have added to the previous legal notice with updated information concerning publication dates, etc., and we need to make sure that this publishes on the dates requested.

The legal notice is long – and is in WORD format, so should be able to be mostly **copied and pasted**. Because it runs to 2 pages of my letter size pages, I have included the information at the bottom of the first page that it is continued on the next page, and that line should be deleted from the publication, as should the line stated on page two that it is continued from page one. All else should pretty much be a straight forward copy and paste, with very minor modifications in layout, if necessary.

An affidavit of publication must be submitted to the Department along with the publication bill. Please send the affidavit and bill to this office before 08/07/2006. Your cooperation is greatly appreciated.

Sincerely

Dianne

Subject: LONG Legal Notice for publication on July 20 and 27, 2006

Good afternoon, Kattie, Glenda and Amy,

Attached is our cover letter requesting publication of a legal notice on July 20 and 27, 2006. If you cannot publish on those dates, please contact me immediately.

Also attached is our legal notice. This is a LONG legal notice - done in WORD format. It includes the 5 water rights that did not make it into the paper on July 6 and 13, plus one more added to that list.

Being in WORD format, it should be able to be copied and pasted with only *minor modifications*. That is why is it so important that I receive a PROOF prior to publication.

This legal is more than one letter size page long and is pre-done in 8 point. It should fit in a 4 inch setup. You would just have to ignore the words "continued on next page" and "continued from previous page" when getting readying for press.

If you have ANY questions, problems, etc., PLEASE CALL ME at 769-1450.

Please FAX proof copy before this goes to press, to 769-1454.

Thank you very much for your help in this matter,

Dianne

RE: Application for Permit No 95-9351

Dear Applicant(s):

The Department of Water Resources acknowledges receipt of your water right application. Please refer to the above referenced number in all future correspondence regarding this application.

This had previously been scheduled to advertise July 6 and 13, 2006, but the paper never acknowledged receipt of the legal notice, and did not locate it until after it was too late to publish on those dates.

A new legal notice of the application has been prepared and is now scheduled for publication in the Coeur d'Alene Press on July 20 and 27, 2006. Submittal of protests to this application will be allowed for a period ending ten days after the second publication.

If the application is protested you will be sent a copy of the protest(s). All protests must be resolved before the application can be considered for approval. If the protest(s) cannot be resolved voluntarily, the Department will conduct a conference and/or hearing on the matter.

If the application is not protested, it will be forwarded to our State Office in Boise for final processing. The State Office will notify you of any action taken on the application and will send you a copy of the permit if approved. A typical processing time for an unprotested application is about eight to twelve weeks.

Please feel free to contact this office if you have any questions.

Sincerely,

Keith E. Franklin
Water Resource Agent

Subject: Looking for PROOF PRIOR TO PUBLICATION for 2 legal notices

Good afternoon, Kattie and Glenda,

Due to the holiday and deadlines for publication and any corrections before publication, I am looking for PROOFS for two separate legal notices e-mailed to you Tuesday of last week.

These are needed ASAP in case we have to modify the legal notices somewhat before they go to press.

First one was for an relatively short legal notice for an Application for Amendment of a Permit No. 95-9258, and the second one was for a long legal notice which included Applications for 5 Water Rights.

Both of these legal notices are supposed to publish July 6 and 13, 2006, so we are pushing the envelope a bit on these.

Thank you very much for your help on these.

Good afternoon,

Attached is our **second** cover letter requesting publication on July 6 and 13, 2006 of a **second** legal notice, also attached.

This is the **LONG** one I mentioned in my earlier e-mail. It runs to the second page, and at the break has a notation to that effect. [Please do not include the statement "continued on next page" in the publication. That is just FYI so you will know there is more than one page.]

Please FAX a proof copy to me at 769-1454 before this goes to press. I know with the holiday next week, your schedule will be tight so I am trying to get these to you in plenty of time.

If you have ANY questions, please call me at 769-1450.

Thanks for all your help.
