

7. 13. 06

Dear Sirs/Madam -

I am the holder of three water rights on my property ± 180 Acres, along the Middle Fork of the Clearwater River, Mile Marker 85-86, Kooskia. Water right #'s are as follows:

RECEIVED

JUL 17 2006

- . 81-10151
- . 81-10146 VI
- . 81-10152 VI

Prior to my divorce in 2000 these water rights were held by me & my then wife Joyce Blahslee. The divorce settlement had this property go to me via a quitclaim deed, including the water rights. In July 2002 I remarried. My new wife's name is Mary Miller Blahslee. In late '02 or early '03 I contacted Idaho Dept. of Water resources to have Mary's name placed on the water rights & only 1 of the 3 water rights (# 81-10151) was changed. If you refer to the folder for # 81-10151 you will find the necessary documentation to change the other two. In talking with Pam Shages (sp?) in your offices, she indicated that the file has the necessary papers to effect the change. Please change water rights # 81-10146 VI & 81-10152 VI to include both Mary & I. Please also note that our address has changed & is as follows:

10806 ENCINO DR.
OAK VIEW, CA. 93022
TEL: (805) 649-5377

I am enclosing the change forms which Pam provided to me. Any questions or concerns please give us a call. Thank you.

Sincerely,

Jan Blahslee
