Subject: Proof of Beneficial Use 63-12537

Dear Debbie:

Enclosed on behalf of Chapman Ranch, LLC is proof of beneficial use for permit 63-12537. Permit 63-12537 is utilized by the domestic water system serving 60 home sites in Osprey Subdivision in Boise County.

Proof is submitted for a diversion rate of 0.16 cfs. This diversion rate is based on the 0.08 cfs capacities of the two 5-hp submersible well pumps that serve the water system. Driller's reports for the two wells currently in use are attached for reference purposes.

A check for the \$50 license examination fee is enclosed.

Please contact me with any questions.

Sincerely,

Terry M. Scanlan, P.E.
