Department of Water Resources
322 East Front Street
Boise, ID 83720-0098

Sirs:

The application asks for a measuring device. The only measuring device is near the head of the ditch, before the water is distributed among the several rights. Due to the nature of the ditch, other measuring devices would not be satisfactory.

I request that the requirement of a measuring device be removed from this permit.

Sincerely yours,

A handwritten signature in cursive script that reads "Katherine S. Vogel". The signature is written in dark ink and is positioned below the "Sincerely yours," text.
