Re: Letter of May 5, 2006 (Milton A. Slavin Attorney) proposed changes.

Dear Mr. Slavin:

Thank you for your letter about the May 19, 2006 meeting at your office. I will not be attending, but I hereby continue my protest about the proposed changes at Williams Lake.

The best protection for our rights in Lake Creek valley is the present agreement. All parties entered into this agreement in good faith at the time the water system was installed at Williams Lake by Jim Kingston. The agreement best protects and restricts all parties to the responsible use of the resources.

My best to our neighbors at the lake in responsible enjoyment of their property.

Sincerely,

Gary Hawkins
