Dear Ms. Deborah Gibson

This letter pertains to PERMIT NO. 2-10264, under the name of Terrance F. Liles and Elizabeth A. Liles to obtain water from the Snake River at 7832 Riverfront Drive, Marsing, ID 83639.

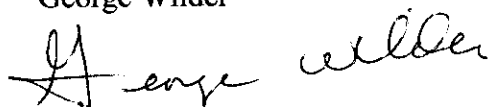

Your letter dated April 30, 2006 "Proof Due Notice" was forwarded to me for action by the Liles since I purchased subject property on the Snake River in 2005. The PROOF OF BENEFICIAL use has been completed and is attached with a check for \$50.00.

I am waiting for assignment of permit from the Liles and do not want to wait for the assignment to file the proof. Once the Liles have prepared transfer papers for reassignment of the permit and forwarded to me I will forward it to you with the fee.

Thank you for your assistance and consideration in this matter.

Sincerely,

George Wilder
