RE: Change of Ownership for Water Right 71-2016

Dear Mr. Leavell,

I apologize Water Right 71-2016 showed all three businesses as current owners. I corrected the error, now the water right only shows Fisher Creek Partners LLC an Idaho Limited Liability Co as the current owner. I also double-checked the rest of the water rights listed on the Change of Ownership Form to make sure they had been processed properly and they all showed Fisher Creek Partners LLC HC 63 Box 9934 Stanley ID 83278 as the current owner. Hopefully you should stop getting mail for all three businesses if you have any questions or you are still getting mail please give me a call.

Please note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right to the department. Notice of the change must be provided to the department within 120 days of the change. Change reporting forms are available from any office of the department.

If you have any questions regarding this matter, please call Kara Alder at 208-287-4952.

Sincerely,

For Jeff Peppersack, Manager
Water Right Permits Section
