

MEMORANDUM

Date: August 09, 2006
To: Transfer 72733
From: dcarlson
Re: transfer evaluation

This transfer proposes to rearrange part of the place of use for this ground water right. The canal shares have been historically used on separate ground and still will be used separately. The air photos and statements from applicant indicate that he has been irrigating lands with his Aberdeen Springfield shares outside the old GW place of use.

Authority to File:
Applicant provided tax notices and is the owner of record as far as SRBA decree.

Water Right Validity:
This water right was decree in the SRBA in 2002. Forfeiture is not an issue.

Injury to Other Water Rights:
Inside the ESPA area and not in a measurement district. No point of diversion change.
water master will comment.
Transfer will be advertised to determine any protests.

Enlargement of Use:
There is no evidence of enlargement of use.

Local Public Interest:
No issues identified.

Beneficial Use / Conservation of Water Resources:
No issue identified.

Review of the application finds there is not clear inconsistency with criteria set forth in Section 42-222 Idaho Code preventing processing of this application.
