RE: Transfer Applications - Estate of Ed Uhlig, Hollifield, & Munsee

Dear Jason,

A recent examination of pending applications in our office revealed that two transfers filed in the names of the Estate of Ed Uhlig and Hollifield, leaving the unchanged portion to M Four (Munsee) are still pending. These applications are splitting water rights 45-2711 and 45-13711.

We have determined that we do need a map showing where Munsee is drying up the .72 acres of irrigation under 45-13711. Without this map, we are unable to proceed with processing of the transfers.

The Department will hold further processing of these applications for 30 days to allow submittal of the required information. Additional time may be granted by the Department upon receipt of a written request and sufficient justification for an extension. After that time, if adequate information is not received, the Department will issue a preliminary order to reject or deny the applications.

Sincerely,

Jeanie Robertson
Sr. Water Resource Agent
