RE: Assignment of Application for Permit: 63-11694 split into

63-32357 - Charles Elmer Gossett

63-32358 – City of Nampa

Dear Water Right Holder:

The department acknowledges receipt of the Assignment of Application for Permit granting a portion of your application to the City of Nampa. Application 63-32357 for 2.7 acres remains in your name. The department has modified its records to reflect the split in ownership and has enclosed a computer-generated report for your records.

IDWR will continue to hold your application until applications for new consumptive uses of ground water in the Treasure Valley can be processed.

Please note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right to the department. Notice of the change must be provided to the department within 120 days of the change. Change reporting forms are available from any office of the department.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

For Jeff Peppersack, Manager
Water Right Permits Section
