Re: Borchard/Southfield Dairy
36-08387

Dear Ms. Townsend:

Enclosed please find a Notice of Change in Water Right Ownership, along with a copy of the re-recorded Memorandum of Contract of Sale evidencing Southfield Dairy's interest in the property.

Based upon information received at the time of closing, we erroneously transferred Water Right No. 36-07640 to Southfield Dairy and are now requesting that it be returned to the name of Paul L. Borchard and Kathleen P. Borchard. Water right 36-07640 is not appurtenant to the property referenced in the Memorandum.

The water right that was intended to be transferred with the property is 36-08387. This water right appears to still be in the name of Goedhart and Goedhart, a prior owner. A copy of the Warranty Deed transferring title from Goedhart & Goedhart to Paul and Kathleen Borchard is enclosed herewith.

Please process both transfers upon receipt. If any fees are due, or if you have any questions, please do not hesitate to contact me. Thank you for your prompt attention to this matter.

Sincerely,
