To whom it may concern,

I'm writing this letter in regards to
application # 72-116763

We have contacted the Fish & Game & the D.E.A.,
both of them gave us their approval, as long as the headgate
and the diversions are properly screened, which they are.

I have discussed this with our ditchmaster
Brent Brunker, he has given us his approval on getting
our water back.

As far as the financial aspect, the ditch is
already ~~is~~ existing, the only expense is for all parties
who have rights, to help maintain the ditch from the
headgate to the weir, and to take care of their own ditch.

Our intent to use the water is for our hay crop,
and to graze our horses in the winter.

We will respect the others water rights; use
only our allotted amount.

Thank-you

Charlie Campbell
