Re: change in Ownership of Water Right No. 65-13637 & 65-13638

Attn: Kari Lynn

Dear Kari:

Please find the enclosed copy of my Warranty Deed for the 21 Gardena Lane property and water rights. At the time I talked to you April 25, we realized that the title company had not sent me all of my papers. Sure enough I had to call them to have them sent to me. Therefore, can we proceed with transferring the above water rights as my original request of January 5, 2006? If you need any other information or documents please call me at 793-3020. Please remember my concern at the amount of time that has elapsed and you told me on the 25th that we would be ok. I look forward to hearing from you. And thank you for your help in this matter.

Sincerely,

Laura Moerke
