Re: DWR Letter Dated June 23, 2006 Regarding Tait P. Johnson's
Application No. 72-16601 To Appropriate Water in the Salmon
River Drainage

To Whom It May Concern:

In response to your letter dated June 23, 2006, I offer the following
additional information:

Information Relative to the Effect on Existing Water Rights:

I have enclosed a plat from the county assessor's office showing the location
of the existing well for which I am applying for the water right.

I have located two additional existing permitted wells that I am aware of. I
assume that the other parcels on this plat have wells, but I do not know their
specific locations. The well I am applying for has been operating for about
four years, and there has been no impact to other wells to my knowledge.

Information Relative to Sufficiency of Water Supply:

In my application I have requested .04 CFS for domestic, .06 CFS for
irrigating 2.2 acres, and .02 CFS for stock use. The .06 CFS is water for
landscaping and pasture maintenance.

This well has been operating for approximately four years and produces
about 50 gal./minute. The well log should be on file with the DWR.

Information Relative to Good Faith, Delay, or Speculative Purposes of the Applicant:

I have enclosed my most recent tax notice to confirm my ownership of the property.

Information Relative to Financial Resources:

As stated above, the well is already drilled and paid for. The system has been operating for about four years without any problems.

Information Relative to Conflict With the Local Public Interest:

Letters have been submitted regarding my application for water rights from Troy Saffle with the IDEQ and Tom Curet with IDFG. These letters should be in my file at DWR.

This is an existing well that has been operating for about four years, and there has been no public comment or letters of interest regarding this well.

If any more information is required to process my application, please let me know. I can be reached by telephone at 208-838-2355 through August 30, 2006. After August 30, 2006, I can be reached at 435-655-3950. Thank you.

Sincerely,

Tait P. Johnson
