**RE: APPLICATION TO LEASE ALL OR PART OF WATER RIGHT NO(S).
61-2188 AND 61-7151 TO THE WATER SUPPLY BANK**

Dear Lessor:

The Department of Water Resources ("department") has completed its review of the Application to Sell or Lease Water Right(s) to the Water Supply Bank ("bank"). The offered water right(s) is accepted into the bank in accordance with the attached Water Supply Bank Lease Acceptance. The right(s) will remain in the bank for an "indefinite" lease term unless the right(s) are released earlier by the Board, or upon request by the lessor. To change the term of the lease or to release the right(s) from the bank, the lessor must submit a request in writing to the department prior to the release date.

As we discussed on the telephone and during your visit to the department, the portions of the rights accepted for lease to the bank vary from the amounts indicated on your application. The amounts applied to the lease are proportional to the number of acres to be idled in a single irrigation season.

Please review the conditions of acceptance listed on the Lease Acceptance, and feel free to contact me if you have questions.

Sincerely,

for Cynthia Bridge Clark
Water Allocation Bureau
