Technically any of those October dates work for us. However, the week of 10-13 is questionable, especially the 10th.
I assume you need me to send the official calendar pages back to you?

Please go ahead and schedule.

Id Fish and Game protested too. They have the following date available in October: 10, 11, 12, 13, 16, 17, 18, 19, 20, 30 and 31st.

Carl Ellsworth Protested and they have the following available in October: 2nd thru 13th and 23rd thru the 31st.

I haven't heard from Whittaker or Lemhi Irrigation District. If you want it in October, just put un-available in August & September and we will move it to October. Don't tell anyone I told you that though.....

Let me know if I can be of further help.

Sharla,
Sorry it's taking us a little time to figure out some dates. We are having
to consult with our solicitors on the matter. I'll have something for you
before the 26th. The more time the better. Is there any way we can just
deal with dates in October?

thanks, al
