RE: PERMIT NO. 85-15635

Dear Permit Holder:

Enclosed is a copy of the request for extension you submitted to the department for the above referenced permit, granting an extension of time for filing proof of beneficial use to **June 1, 2009**. This approved request reinstates the permit since the request was submitted after the proof due date, and the priority of the permit advances to May 3, 2005, as referenced in Section 42-218a, Idaho Code. Please note that the department has granted this extension based on **due diligence**.

It is important that you work diligently toward the completion of the development during the construction period allowed since the department may not be able to grant additional extensions based on due diligence.

Thank you for providing the department with your current mailing address. I am enclosing a copy of a database report reflecting changes I have made to this permit. Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Please contact any office of the department for the proper form to file a change of ownership of a water right and/or a change in the address of the owner.

Please feel free to contact the department if you have questions, or refer to the department's website at: www.idwr.idaho.gov.

Sincerely,

Deborah J. Gibson
Administrative Assistant
Water Allocation Bureau
