RE: Application to Appropriate Water 85-7575

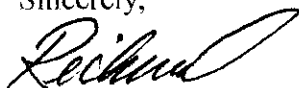

Dear Mr. Keen:

This letter is in response to your letter dated July 06, 2006, requesting information pursuant Water Appropriation Rules 40.05c through 40.05g.

- c. i. Information previously submitted.  
ii N/A  
iii. To the best of my knowledge, no other individual holds water rights to this water from the point of diversion. Moreover, during the period water is diverted, March thru September, water flow is minimal and the majority if not all of the water disappears into the ground on property owned by Mr. and Mrs. McCormick.
- d. i. Information previously submitted.  
ii. Information previously submitted.
- e. i. Copy of portion of deed describing easement thru Robert and Ramona Proctor's property previously submitted.  
ii. N/A
- f. i. Cost less than \$500.00. Catch basin (barrel) and black plastic pipe.  
ii. Cost less than \$500.00. Catch basin (barrel) and black plastic pipe.
- g. I contacted Mr. Ray Hennekey with the Idaho Department of Fish and Game on July 10, 2006, in regard to the aforementioned application # 85-7575. He will write you a letter as to the effect, if any, the diversion of water will have on any entities.

Please give me a call if you have any questions or require additional information.

Sincerely,

Richard J. McCormick
