PROOF ACKNOWLEDGMENT LETTER

Re: Permit No. 72-7547

Dear Permit Holders:

The department acknowledges receipt of the proof of beneficial use ("proof") form submitted for the above-referenced permit. The next step in the process of developing a water right is for the department to conduct the field examination to determine and confirm the use of the water, and that it meets the permitted beneficial use.

Be advised that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov

If you have questions about the field examination, please contact the **Southern** Regional Office of the department in Twin Falls at (208) 736-3033.

This is a correction to the previous acknowledgment letter we sent on July 24th. The cc to Speck & Aanestad was inadvertently left at the bottom of the letter in error. This letter, nor any other document for your water right file was sent to Speck & Aanestad. I apologize for any unnecessary concern this may have caused.

Sincerely,

Christine Roberts
Technical Records Specialist
