Re: Water Right Application - Townsend

Dear Mary,

Idaho Department of Fish and Game (Department) staff has been approached by Mr. Thomas W. and Mrs. Patricia A. Townsend regarding their North Fork Salmon River water right application. Department fisheries staff has reviewed the Townsend application and has no objection to issuance of the water right described in the application.

Thank you for the opportunity to review this application and provide comments.

Sincerely,

A handwritten signature in cursive script that reads "James R. Lukens".
