

MEMORANDUM

Date: July 25, 2006
To: Transfer 72527
From: amerritt
Re: recommendation

This transfer was processed in parallel with state office staff. The application was advertised without protest. I recommend approval as drafted. The remark for right 43-12966 needs to be updated to reflect use of well in Lt 7 also serves the unchanged portion (43-13422) and the changed portion (43-13423) that originated from 43-12967 once the transfer is approved. This could have been an associated right but was not done that way.
