Subject: fee or no fee

Howdy,

I am assisting an attorney's office with an owner change and since there are 64 rights involved, I want to make sure I tell them the correct fee. All water rights are currently in the name of the partnership. They now want the rights listed in the partners individual names. Fee or no fee? For 64 rights, I say charge 'em double. Thanks alot!

*Fee for ownership change
 64 x \$25.00 = \$1600.00*

*Fee for security interest
 64 x \$25.00 = \$1600.00*
