NOTICE TO RESUME WATER USE

Re: Water Right No. 71-00069 and 71-00064B

Dear Applicant(s):

On the 18th of October, 2001, the department approved two Applications for Extension of Time to Avoid Forfeiture for Water Rights nos. 71-00069 and 71-00064B. The department granted these requests as submitted to the department for the irrigation. One condition of the approvals were that diversion and use of this water must resume on or before September 1, 2006. Failure to resume use of the water and to notify the department of the resumed use would be cause for the water to revert back to the state and again be subject to appropriation.

I am enclosing a Resumption of Use form for your use to notify the department of your resumption of use of the water right. Please complete the form and return it to my attention at the above address.

If you have any questions regarding this matter, please contact me at (208) 287-4942.

Sincerely,

Deborah J. Gibson
Administrative Assistant
Water Allocation Bureau
