RE: Water Right No. 63-12604

Dear Mr. Cooper:

Enclosed is a Proof Due Notice letter and its enclosures that were returned to the department by the U. S. Postal Service (a copy of the envelope is enclosed). I requested assistance from Terry Scanlan of SPF Engineers, because of his involvement when the application was filed, to give me a current address for the permit holder. He responded with your name and address. Therefore, I am forwarding this notice to you and request that response to the notice, be filed with the department in order that the permit remains active.

This water right permit is for a ground water right for irrigation of three acres. The point of diversion and place of use are located in the NW1/4, NW1/4, Section 20, Township 03 North, Range 01 East, Boise-Meridian, Ada County, Idaho, which is located near the intersection of Overland Road, and Locust Grove in Boise, Idaho.

In addition, I have enclosed a Change in Address form for your use in completing for updating the address on file for this water right. If the information I have typed on the form is not correct, please make the appropriate changes and returning it to the department.

If you have any questions or need more information, please contact me at (208) 287-4942, or the regional office at (208) 334-2190.

Sincerely,

Deborah J. Gibson
