Dear Sirs:

This is in regards to the water right claim of Dan and Molly Hurley, claim number 95-9270. My father, Fred L. Stanton, purchased this property in July 1939. The spring and cistern were developed for domestic water use. I can verify the purchase date of 1939 used for this claim.

Dear Sirs:

This in regards to a water right claim for Dan and Molly Hurley, the claim number is 95-9270. The property has been family owned since 1939, and I married a first generation property owner family member. The spring/cistern water system was in existence when the property was purchased by the family, and probably predates the 1939 claim.

Sincerely yours

Richard B Porter
