Dear Mr. Michels:

We are in receipt of the correspondence concerning ownership of the above referenced water right license.

In Idaho, a licensed water right is considered real property and is acquired when the property to which it is appurtenant is purchased. Proof of owning the land is proof of owning the water right license, if the previous land owner did not exclude the water right from the sale. Therefore, we will place your correspondence in the file for future reference only and no further action will be taken.

If you have any questions, please let us know.

Sincerely,

JIM JOHNSON

I have been referred to your office by Tom King in Coeur d'Alene.

He explained that the Water Right License #95-08513, issued to Jeff Nichols will need to be put in our name. We bought the Nichols home in July of '88. A copy of our deed is enclosed.

I understand that the License will not be re-issued with our name on it, but would appreciate acknowledgement of this letter so that I know the proper adjustments have been made for the record. Thank you for your time.
