Gentlemen:

I have enclosed the application for irrigation of Tracts 17 and 18.
Please check it carefully to insure I have not made any errors.

I only made the application for a total of 0.20 cfs since I believe
the license and permit issued to the District is already for more
water than is being appropriated; it also keeps the fee lower.
I have also only asked for 4 years so that it will come due at
about the same time as 95-8144.

If I can be of any assistance, please contact me at this office.

Sincerely,

TOM D. KING
