Dear Rita, Sorry for the delay in answering
your letter of May 31, 1988.

We would appreciate have our application
approved for Domestic water use from Lake
Ferman since our Well is a very low producing
Well. Less than 1/2 gallon a minute.

We only irrigate our lawn which is less than 1/4
acre. Our land has 4 acres of steep hillside
covered with brush.

Best regards

Enclosed is a form which when accompanied by the license examination fee or a completed field examination report prepared by a certified water right examiner may be used to submit the required proof.

If you have not fully completed your project, and you or a previous owner of this permit have not received a prior extension of time, you may request an extension of time if the delay is for reasonable cause as provided in Section 42-204, Idaho Code. If you have been prevented from proceeding by a governmental agency or by litigation which might bring title to the water in question, more than one extension of time can be granted. An extension of time request form is enclosed for your convenience.

Either an acceptable proof of beneficial use submittal or an acceptable request for an extension of time must be received by this Department on or before the above described proof due date, or the permit will no longer be of any force nor effect.

Sincerely,

RITA FLECK
Secretary/Records Manager
