RE: PERMIT NO. 95-08140

Dear Permit Holder:

You are hereby notified that under the provisions of Section 42-218A, Idaho Code, the above referenced water permit has lapsed. This office did not receive either an acceptable proof of beneficial use submittal or an acceptable request for an extension of time. You were provided the proper form in our proof due notice to you dated October 31, 1988.

Your permit cannot be reinstated unless you submit proof of beneficial use or submit an extension of time request showing reasonable cause for delay. Either the completed proof of beneficial use submittal (including the examination fee or a completed field examination report) or the extension request form together with the \$15 fee must be received by this department within sixty days of the date of mailing of this lapse notice or the permit will no longer be of any force or effect.

A proof of beneficial use form and a request for extension of time form are again enclosed for your use. Please note that only one extension of time can be granted unless the project has not been completed because of lack of a necessary approval by a governmental agency or by litigation which might bring title to the water in question.

Re: Permit No. 95-8140

Dear Water Resource Representative:

I am writing to request an extension of time in order to complete the development of my land for livestock purposes. It is my desire to get the northern boundary of my property fenced (the western, southern, and eastern sides are completed) within the next year so that I can put livestock on the land and utilize the water that is available (the spring was developed for this purpose).

Lack of funds made completion of the project impossible during the past year. Last week I met with my uncle, Clarence Stowasser (who has neighboring property), and we have found a means to complete the fencing of my northern boundary which necessitates the maintenance of my water rights so that livestock can live on the land. (Fencing and work to be done this spring.)

I would like to request an extension of two years - until January 1, 1989. If you should have any questions, please call me at (509) 448-6214 (HOME) or at (509) 328-0760 (WORK). Your consideration of this request is appreciated. Thank you again for your time.

Sincerely,
