Agreement

This is to authorize (as far as the undersigned are concerned) Mr. Harold Debenham and Mr. Willard C. Quinn to re-work and develop the natural spring on our property; Gov. Lot #4, Sec. 4, Township 47 N, Range 4 WBM.

It is understood that Mr. Quinn and Mr. Debenham will develop the spring in such a way as to consolidate the flow into one channel and create a reservoir that will store water for the use of all the property owners of Cotton-wood Bay Colony, by taping the reservoir and piping the flow to the road-side in the vicinity that it is now flowing. Mr. Quinn and Mr. Debenham in return shall have exclusive permission to tap and run pipes to their property and to use the overflow from this reservoir. Maintaining of the reservoir and pipes will be the responsibility of these two parties or by arrangements they are able to make with the other property owners.

It is also understood that the tap at the road-side shall have connection means so that a hose or such can be attached to gain the maximum use of the water in case of fire.

We shall--and do request that all the property owners help as best they can to keep this equipment in good order by not abusing it or contaminating the water in any way.
