Dear Mr. Krebs:

I am enclosing the text of the Proposed Findings of Surface Water Rights in the Twin Lakes Drainage. If you wish to have the complete listing, I can send it to you for a fee of $20.00.

You indicated in your letter that you had misplaced your Check No. 11-4 in the amount of $30.00 along with your Claim to a Water Right. I have prepared a new claim for your convenience; however, I have made a few changes. Please check the following items, have the claim notarized and return the claim to this office with the $30.00 filing fee.

Item No. 2 - I have changed the source of water from Twin Lakes to Groundwater, since you referenced a well in Item No. 5b.

Item No. 6a - I have added GL 4 (NWSW) to the legal description, since Lots 10 and 11, Block 2, First Addn. to Lakeview Addn. lie within this Government Lot. I did not change Item No. 5a, since it is possible that the well is not located on either Lot 10 or 11, Block 2, First Addn. to Lakeview Addn. If the well is on the same property as the home, then you should change Item Nos. 5a and the map.

If you need any assistance, please contact me at this office.

Sincerely,

TOM D. KING

RE: Claim No. 95-4596

Dear Claimant:

The Department of Water Resources has completed the advertising of your claim to a water right, and no further action is authorized under Section 42-243 and 42-244, IDAHO CODE. Your claim will be retained in our files and will be available at any time for use by you or the court.

The filing and advertising of the claim does not confirm the water right claimed, but will serve to record and preserve the information and the evidence which you included in your claim.

If, at a later date, you find that you have additional information or supporting evidence that you would like to have included with the claim, you may have that information or evidence added at any time. Please refer to the claim identification number when corresponding with this office.

We are enclosing a copy of your claim for your records. If you have questions, or if this office may be of further assistance, please feel free to contact us.

Yours truly,

Robert G. Haynes, P.E.

Dear Mr. King:

I have to agree the description and diversion do not seem to agree. The map helped quite a bit. I tryed to pinpoint it again but still does not seem right. I did mark the spot of diversion on the shaded lot #10 as you requested. The house sits on lot #11, I used the discription that I have on the original claim filed, and I assumed that it was correct, no one ever challenged it until now. My dad owned a 30' rightaway to the Lake between Blaine and Waddell from which he drew water until he put in the well. The line to the lake is no longer used. If this does not set the record straight please contact the law office of Mr. T. W. Hanson 667-1561 Coeur d'Alene Idaho. He has the legal discription of the property that may help.

I hope this resolves the problem, and I thank you for your kind patience.

Yours Truly,
Mary L. Stubbs

Dear Mr. Krebs:

I am returning your Check No. 11-4 in the amount of $30.00 and your Claim to a Water Right, since the legal descriptions of the point of diversion and place of use do not agree with the map.

To clarify this problem, please place an X to indicate the point of diversion on the enclosed map. You will notice that I have shaded in Lots 10 and 11, Block 2, First Addition to Lakeview. I have also circled the numbers identifying the Government Lots.

If you have any questions, please contact me at this office.
