A hand-drawn diagram on a grid. The diagram includes the following elements:

- The text "T 51N" is written in the upper left quadrant.
- The text "R 4W" is written in the lower center.
- A vertical line segment is drawn in the center, labeled with a "1" at its top.
- A small circle with a dot inside is located on the horizontal line corresponding to "R 4W".
- A curved line extends from the circle towards the upper right, with the handwritten text "well and place of use" written next to it.

Map should show the location of the point of diversion and the place of use of the water by 40-acre subdivisions, section, township and range of the public land survey system.

Be it known that the undersigned, being duly sworn, deposes and says that he, she, they subscribed the foregoing claim to a water right, together with all attached information, and that the matters and facts therein are true to the best of the affiants knowledge.

RE: Claim No. 95-4379

Marie A Matson
Rt 3 Box 218
Hayden Lake, Id 83836

Dear Ms Matson,

The Department of Water Resources has completed the processing of your claim to a water right, and no further action is authorized under Section 42-225a and 42-225b, Idaho Code. Your claim will be retained in our files and will be available at any time for use by you or the court.

As you are aware, the filing of a claim does not, in itself, guarantee you a water right; it only records and preserves the information and the evidence which you included in your claim.

If, at a later date, you find that you have additional information or supporting evidence that you would like to have included in your claim file, you may have that information or evidence added at any time. Please refer to your claim number when corresponding with our office.

We are enclosing, for your records, a copy of your claim. If you have any questions, or if we may be of any further assistance, please contact us.

Sincerely,

ROBERT G. HAYNES, P.E.
