SUBJECT Claim No. 95-4341 (Jan &/or Sydnie Hansen)

DATE November 18, 1975

Mr. Hansen was in the office and was very concerned about his Claim. He said that "the dot" was in the wrong place, so I corrected it for him. When Ken helped Mr. Hansen complete his Claim, he placed the Spring too far South on the map; however, it is still in the same 40-acre tract.

Anyway I thought perhaps this would affect the platting (Plotting?), so if you could drag out the Claim File and replace its present map with the attached map, I would certainly appreciate it. We have corrected our records accordingly.

Thanks, Boots!

P.S. Would this have to be initialed by the Claimant? I didn't even think about that until just now!
