To whom it may concern:

Enclosed please find an Application for Permit for a Water Right along with a check for \$100.00 from our firm. This is for the RVG Trust's Tyghee Ranch in Caribou County. They have a tap off of the Wyoming Game and Fish Department's supply line from Terrace Springs for their fish hatchery. This tap has been in place since 1979. The Wyoming Game and Fish Department had a claim (24-10001) that describes this but it was disallowed. Cindy Bird in Soda Springs informed the RVG Trust that they needed to have this application in by the 14th of July. This right will be used for domestic purposes only as they already have other water rights for irrigation. Thank you for your help.

Sincerely Yours,

Robert H. Wood
Assistant to Jerry R. Rigby
