Gentlemen:

One of the conditions of the approval of your Permit No. 94-7007
was that proof of application of the water to beneficial use be submitted
to this office on or before October 1, 1970.

Enclosed is an affidavit form which must be used to submit proof of bene-
ficial use. You may request an extension of time provided the delay is for
reasonable cause as indicated in Section 42-204, Idaho Code, amended.

Either the proof affidavit or a request for extension of time must be received
by this Department on or before the above mentioned date, otherwise the permit
will lapse and be of no further force or effect.

Gentlemen:

We are prepared to take final action on your application for permit, however in reviewing the application, we have been advised by the Idaho Attorney General's office that the application must be in the name of an entity. In as much as you have filed this under the name of Consolidated Silver Project and signed the application Hecla Mining Company, the application will not be valid until it is submitted in behalf of an applicant that is an entity, either Hecla Mining Company or an individuals name. If Consolidated Silver Project is incorporated, then the application can be signed by an elected official of the corporation.

We request that you sign the original document and verify the name of the applicant, returning it for final action.

Your assistance in this matter is greatly appreciated.

Very truly yours,
