RE: Claim to a Water Right Nos. 94-4241/4242/4243

Gerald E. & Arva Jean Bebee
Box 378
Osburn, ID 83849

Dear Water Right Holder(s):

Our office acknowledges receipt of documentation of the change in ownership of the above referenced water rights. In reviewing the files I find that the water rights are Claims. In Idaho, a claimed water right is considered real property and is acquired when the property to which it is appurtenant to is purchased. Proof of owning the land is proof of owning the water right claim.

I have put the documentation into the files for future reference and have changed our computer records to show you as the owner of these claims. I have enclosed copies of the Claims for your records.

If you have any questions please feel free to contact our office.

Sincerely,

JIM JOHNSON
Water Rights Supervisor
