STATE OF IDAHO

Water License No. 7317.

WHEREAS, On the 30th day of January, A. D. 1911, SNOWSHOE MINING CO.,

of Mullan, County of Shoshone, State of Idaho, duly made application (No. 10236) to me for a permit to use one (1) cubic foot per second of the waters of WEST FORK OF GENTLE ANNIE CREEK,

County of Shoshone, State of Idaho, for lighting, ventilating and general mining purposes, and,

WHEREAS, On the 20th day of May, A. D. 1911, Permit No. 7317 was issued to said applicant for the diversion of said water and providing for the completion of the works of diversion therein described on or before the 20th day of May, A. D. 1913 and for the application to beneficial use of said water on or before the 20th day of May, A. D. 1914, and,

WHEREAS, On the 3rd day of May, A. D. 1913, SNOWSHOE MINING COMPANY,

the holder of said permit, duly made proof of the completion of adequate works for the diversion of one (1) cubic foot per second of said waters, as evidenced by my Certificate No. 7317 dated August 23, 1913, confirming the completion of works of sufficient capacity for diverting and conveying to the place of intended use one (1) cubic foot per second of said water, with date of priority of January 30, 1911, and

WHEREAS, On the 3rd day of May, A. D. 1913, SNOWSHOE MINING COMPANY,

the holder of said permit, duly made proof of the application to beneficial use of one (1) cubic foot per second of said water:

NOW, THEREFORE, By virtue of authority vested in me by the laws of the State of Idaho, I hereby grant and confirm to SNOWSHOE MINING COMPANY,

of Mullan, County of Shoshone, State of Idaho, the holder and owner of said Permit No. 7317, a perpetual right, dating from Jan. 30, 1911, to the use of one (1) cubic foot per second of the waters of West Fork of Gentle Annie Creek,

in the County of Shoshone and State of Idaho, or so much thereof as may be necessary for the purposes hereinbelow mentioned, to be diverted approximately 1000 feet above the mouth of West Fork of Gentle Annie Gulch,

and conducted to ~~xxxxxxx~~ the power station, situated just above the junction of the East and West Forks of Gentle Annie Gulch,

uses, for the purpose of lighting, ventilating and general mining, subject, however, to the laws of the State of Idaho, applicable to a license for the use of the waters of the State, and subject, also, to the local or community customs, rules and regulations which have been or may be adopted from time to time by a majority of the users from a common source of supply, canal or lateral from which such water may be taken, when such rules and regulations have for their object the economical use of such water.

WITNESS, My hand and the seal of my office at Boise, Idaho, this 23rd day of August, A. D., nineteen hundred and thirteen

F. P. King,

(Seal)

State Engineer.
