Re: 87-7096

Dear Ms. Lord:

Mr. Richard Sands called today and explained that a misunderstanding arose during the recent visit of Ms. Jennifer Argraves. It seems that the acre of land currently being irrigated is the same acre of land referred to in Claim No. 87-4147.

To avoid the possibility of future confusion between these two filings, I am enclosing a form for your signature which will cause 87-7096 to be removed from the Department's active files. This relinquishment will have no effect on Claim No. 87-4147.

If you have any questions, please contact me at this office.

Sincerely,

Gentlemen:

Please attach these documents one to my application for water rights, and one to my application for a water permit, which I have recently sent in to you and paid for.

Very truly yours,

Elizabeth G. Lord

Mr. R. B. Purviance
Route 1, Box 32
Potlatch, ID 83855

To Whom it may concern:

In December 1971, I bought 160 acres of land from Ben Hegney. Included in this acreage were 21.2 acres which I sold to Mrs. Elizabeth G. Lord in 1974. A copy of the legal description of said land sold to Mrs. Lord is attached. It is part of Section 26, Township 43, Range 5.

On said land sold to Elizabeth G. Lord in 1974, there were at the time of the sale three ponds. Described in terms of relative elevation, there was an upper pond, a middle or house pond, and a lower pond by the road.

The upper pond was built by Carl Gilliland on June 23rd and 24th, 1971.

The lower pond by the road was built by Carl Gilliland in April, 1971.

The middle or house pond was in place, when I bought the land from Ben Hegney in Dec. 1971. It had been built by Mr. Wolverton at least one year earlier, that is some time in 1970.
