Dear Mr. Deccio:

Re: Permit No. 87-7093

I acknowledge receipt of your letter dated July 1, 1986 advising the department that no one has contacted you to complete a field inspection since you submitted proof of beneficial use.

After reviewing the file, I find that what you submitted was a commencement of works postcard. This postcard is a signal to the department that you have started the project and is in compliance with the condition of the approval on your permit.

To fulfill the requirement of proof of beneficial use, please complete and return the enclosed proof form. Note that a fee is may or may not be necessary depending on the amount of water claim is put to beneficial use. Also enclosed is an instruction sheet with fee schedule. Upon receipt of this, the department will contact the regional that a field examination is required.

If you have any questions concerning this matter, please feel free to contact this office.

Sincerely,

RITA I. FLECK
Secretary/Records Manager

Dear Sir:

On September 1, 1983, I received my water use permit approval (identification No. 87-7093). The instructions explained that I should return the statement of beneficial use postcard in order to facilitate the issuance of a license. Even though I returned that postcard the same day I received the permit, I have heard nothing further.

Please advise on the status of my permit.

Thankyou,

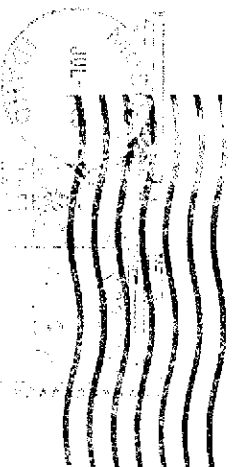

Dennis Deccio
