RE: Permit No. 87-7042

Gorden G. Hansen
Box 9404
Moscow, ID 83843

Dear Mr. Hansen:

In response to your letter of May 31, 1988, we offer the following:

Permit No. 87-7043 is for use of water from a well to be used on Lot 5 of Nearings Third Addition. This permit is proposed to be licensed for 10 acres of irrigation, stockwater and domestic uses.

License 87-7042, which was just recently licensed and sent to you, is a right to use runoff water which our office identifies as an unnamed stream, to be used on Lot 5, Nearings Third Addition.

The relationship between these two rights is that they both flow into your pond are then diverted from there. This is the reason that we have limited your rights when combined to the amount that is allowed for your uses.

I hope that this resolves your questions. We will be finalizing the licensing of your well in the near future. If you have any other questions, please feel free to contact our office.

Sincerely,

KAY WALKER
