Re: Claims To A Water Right and Notice Of Claims

Dear Ms. Yockey

Your two Claims To A Water Right and your two Notices Of Claims have been forwarded to me for review. During my review I found that the two Claims were incomplete and the fee enclosed was only sufficient to file the Claims and not the Notices. The two Notices were filed on property not included in the Snake River Basin Adjudication, and as a result they would not be allowed in court, so I am returning them to you. I am also returning the two Claims to allow you to complete the following items:

Item #1. Please initial the changes in this item.

Item #5. On the Claim with the priority date of 1970 you did not include the section number in this item.

Both Claims must be notarized and returned to this department to be of any value.

If you have any questions or if I can be of any assistance please feel free to contact me at this office.

Sincerely,

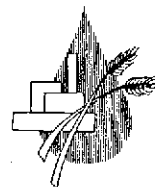

Tom D. King
Sr. Water Resource Agent
