CLAIM TO A WATER RIGHT

Under the provisions of Section 42-243, Idaho Code, any person using or claiming rights to the public waters of Idaho established by diversion and application to a beneficial use must file a claim with the Department of Water Resources on or before June 30, 1983. Exempted from this filing are single family domestic uses as defined in Section 42-230(d), Idaho Code. Also exempted are rights represented by a permit, license, decree, adjudicated right, or a previously filed claim.

The filing of this claim does not confirm the water right claimed but failure to file may result in forfeiture of a water right.

An exception is that a claim may be filed on single family domestic use from a ground water source. Testimony of Evert Olson attached to verify date.

Dear Mr. and Mrs. Gibbon:

I am returning your Check No. 92-353 for \$90.00 and your three Claims to Water Rights.

In our review of your claims, it was noted that the place of use on all three claims did not agree with the map. You have indicated the place of use as being within the SWNE, whereas everything else indicates the NESW.

I have placed the information which I believe to be correct in pencil on the claims. Please go over them in ink and cross out the incorrect information in Item No. 6. Then, initial the changes and return the claims to us with your check for \$90.00 within thirty days.

If you have any questions, please don't hesitate to contact us.
