RE: Permits Nos. 24211 & 24212

Mr. Melvin J. Alsager
P. O. Box 169
Moscow, Idaho

Dear Mr. Alsager:

We have your letter of January 14 returning corrected depositions for proof of Beneficial Use on the above numbered permits in the name of Margaret E. Smith.

You are correct in regard to the point of diversion in Permit No. 24211 as the original permit described it as 600 feet from the NE Corner of the NE¹/₄ of Section 16.

These depositions have been filed with the affidavits of publication previously sent us from the Daily Idahonian but before final action is taken the law requires that a field examination be made by an engineer from this department.

We cannot say just when this examination will be made, but our field engineer will contact Mrs. Smith at the time he makes the examination in order that she may arrange to show him over the ground.

RE: Permits Nos. 24211 and 24212

Mr. Melvin J. Alsager
Title Building
Moscow, Idaho

Dear Mr. Alsager:

We return the depositions enclosed in your letter of December 2, 1954, in proof of beneficial use on the above numbered permits for the following corrections:

1. Question 4 of the depositions of Mrs. Smith and Edward V. Adair give the point of diversion, in Permit No. 24211, as 600 feet from the NE corner of the NE $\frac{1}{4}$ of Section 16, whereas, the Permit gives it as 600 feet from the NE corner of the SE $\frac{1}{4}$ of the Section and Question 4 of the deposition of Clifford F. Lathen fails to give the location to a legal subdivision, Section, Township and Range.
2. Question 6 of all three depositions on Permit No. 24211 should give the legal description and the acreage of the land where the water has been used.
3. The depositions of Mrs. Smith and Mr. Adair should be notarized.
4. In the depositions on Permit No. 24212, Question 6 should give the acreage also the Section, Township and Range of the land where the water has been applied.
5. Mrs. Smith's deposition should be notarized.

The affidavits of publication are a necessary part of these proofs and the Moscow Idahonian was instructed to send these affidavits to Mrs. Smith. If she has not received them, we suggest she take the matter up with them at once.

Very truly yours,

Dear Mr. Alsager:

We have your letter of September 28th and note that Mrs. Margaret Smith is now prepared to make Beneficial Use proof on all the land described in Permit No. 24211 and that she wishes to make Beneficial Use proof on Permit No. 24212 at the same time.

We enclose duplicate notices for each of these permits which we have partially filled out. Please complete by setting the time and place and naming the Notary Public before whom the depositions are to be made and return all copies together with form 11, which is authorization for us to have the notices published at Mrs. Smith's expense in the designated county newspaper.

We shall then send a copy of both notices to the newspaper with instructions in regard to publishing and shall send you or Mrs. Smith, whichever is indicated, the necessary forms of deposition to be used in making these proofs.

Very truly yours,
