Dear Allen Merritt:

In response to your request of your letter dated June 26, 2006, re: application # 72-7529 I am responding to the following Idaho Code 42-203A(5) requirements for applications to appropriate water.

Application # 72-7529 will be a small 3 hp pump in the main Salmon River that will pump into a 1 1/2 inch line. This will irrigate 1 1/2 acres of field.

Criteria:

- C-i: Point of diversion: T11N. R 17E, Sec 28 – Main Salmon River. Please see address below. The pump will be a 3 horse power pump with a small 1 1/2 inch suction tube that will be screened. Please see attached map and plot.
- D: The sufficiency of water supply for the proposed appropriation: The water supply will be the main Salmon River. Gauging stations with quantity amounts can be found at <http://waterdata.usgs.gov/id/nwis>.
- E: The good faith nature of the application: This water diversion will be used solely for personal use on our personal property (one user). No commercial entities will be using this water. Please see copies of our land deeds. This property is paid in full with one owner. No other licenses or approvals are needed.
- F: The adequacy of the applicant's financial resources: Please see last years W-2's for owners Dana and Lisa Hurless. Pump and sprinklers will be paid for and installed by Dana and Lisa Hurless.
- G: The local public interest in the public water resource: There should be no public interest in the public water resources. Watering this area will help control the dust and noxious weeds. Agency contact was made on 7-14-06 to Mr Tom Curet of IFAG and he had no comments outside of a requirement to use an appropriate screen to screen the fish out. He will send both the IDWR and us a copy of the letter. Contact was made to Mr Jim Johnston, IDEQ on the same day and recorded a message for him to contact me at my home address or cell phone if indeed he had any comments or suggestions. If he does I will forward them to your office.

I hope I have answered all the necessary criteria needed for this application. Please advise me at the telephone number listed below if I have not.

Thank you,

A handwritten signature in black ink that reads "Lisa Hurless". The signature is fluid and cursive, with the first name "Lisa" being more prominent than the last name "Hurless".
