RE: Change of Ownership for Water Rights 35-2526, 35-2606, 35-13086, & 35-2113

Dear Water Right Holder(s):

The department acknowledges receipt of correspondence changing ownership of the above referenced water rights (excluding water right 35-2113) to you. The department has modified its records to reflect the change in ownership and has enclosed a computer-generated report for your records.

Our records indicate that the water right 35-2113 was disallowed in the SRBA court, and it is no longer an active water right. Due to this status, the ownership was not changed and the file was closed.

Please note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right to the department. Notice of the change must be provided to the department within 120 days of the change. Change reporting forms are available from any office of the department.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

for Jeff Peppersack, Manager
Water Right Permits Section
