6. If the change in ownership affects the entire water right for each water right or adjudication claim number listed in item 1, THEN SKIP THIS ITEM AND GO TO ITEM 7. If the change in ownership divides the water right(s) among multiple owners, you must describe, in detail, your portion of each water right after the change. Fill in the appropriate spaces in the box(es) below to describe your water right(s) after the change (one water right per box, you may copy this page as necessary). If your quantity of water is greater than a proportionate split, you must attach documentation to show justification for a larger amount. If you are not sure how to identify your portion of the original water right or adjudication claim records, please contact the nearest IDWR office for assistance.

RE: Change of Ownership for Water Rights 35-2599, 35-2685, 35-7488, 35-7489,
35-7490, 35-11713 and 35-13046

Dear Water Right Holder(s):

The department acknowledges receipt of correspondence changing ownership of the above referenced water rights to you. The department has modified its records to reflect the changes in ownership and has enclosed computer-generated reports for your records.

In addition to the above listed water rights you included Water Right 35-9032 in the request for ownership change. Water Right 35-9032 is currently an Application for Permit and is on Moratorium Hold at our Eastern Region office in Idaho Falls. There is no fee required to change ownership on an Application for Permit, however an Assignment of Application of Permit form is required to complete your request. I have enclosed that form for your convenience. Please complete the assignment form and return it to our Idaho Falls office. A request for refund has been sent to our Fiscal Section to return the fee paid for Water Right 35-9032.

Please note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right to the department. Notice of the change must be provided to the department within 120 days of the change. Change reporting forms are available from any office of the department.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

Jeff Peppersack, Manager
