MEMORANDUM

DATE: February 7, 1996
TO: File No. 35-08644
FROM: Cindy Zimmerman *cg*
SUBJECT: Telephone Conversation

I talked today with Paul Meyer regarding several BLM stockwater field exams he did in September 1995 and sent to the state office in January 1996. These exams contained a short narrative of the system but no notes on the nature and date of the records used to verify beneficial use as required in Permit Processing Memo No. 8 dated 11/7/95.

Paul stated that he did not personally witness the diversion or any "as built" of the systems. Paul had contacted Deena Teal, an ecologist with BLM, and gave her a listing of the permits. Ms. Teal field verified each site for Paul and the SRBA claims.
