RE: Permit #35-7887

Dear Mr. Lebrecht:

On the 3rd of this month you filed an amendment to the above permit and then assigned the permit to your son. The amendment changes the point of diversion from a well in Section 27 to another well in the NE $\frac{1}{4}$ SE $\frac{1}{4}$ Section 28, Twp. 3S, Rge. 31E, B.M.

It is my understanding that construction of the well at the new point of diversion and installation of the sprinkler system were both completed several years ago, and Brian could therefore submit the enclosed card indicating the project has been completed.

If the project is under construction, he still ^{has} ~~have~~ until February 1, 1985 to complete development and submit the card.

Respectfully submitted,

ERNEST CARLSEN
Assistant Regional Supervisor
