Re: Permit No. 35-7585

One of the conditions of approval of your water permit No. 35-7585 was that evidence of the extent of development must be submitted to this Office on or before March 1, 1981. (See last page of your approved permit). Enclosed is a postcard which may be used to submit the required proof of beneficial use.

If you have not fully completed your project, and you have not previously received an extension of time, you may request an extension of time provided the delay is for reasonable cause as indicated in Section 42-204, Idaho Code, amended. If you have been prevented from proceeding by a governmental agency or by litigation, more than one extension of time can be granted. A request for extension of time form is enclosed for your convenience. Please note that a fee of \$15.00 must be submitted with this form.

Either the beneficial use postcard or a request for an extension of time must be received by this department on or before the above mentioned date, otherwise, the permit will lapse and be of no further force or effect within sixty days.
